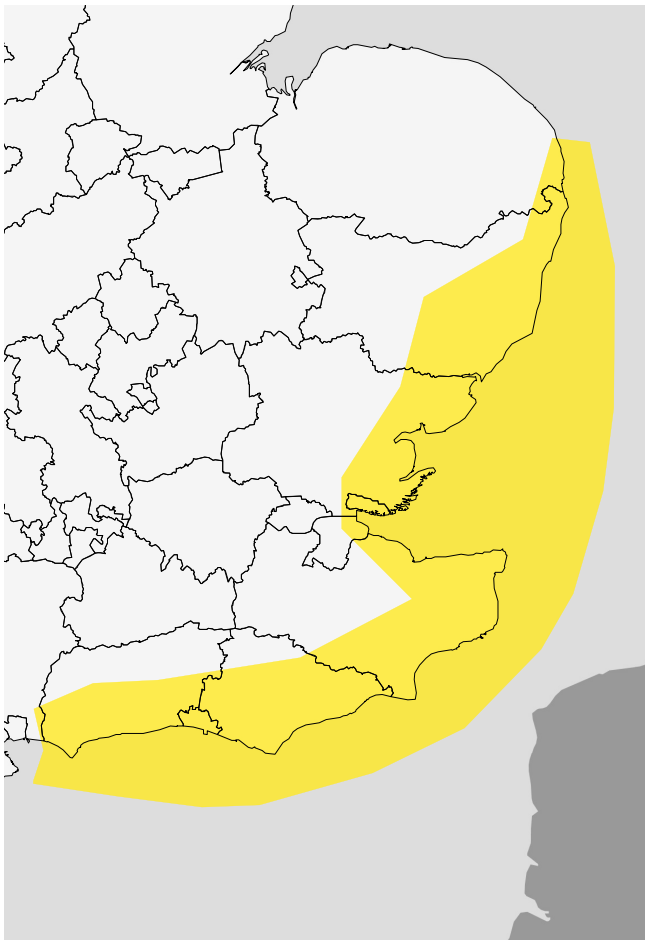
**18:00 Fri 30 Jul 2021**



## Windy weather on Friday may lead to some travel disruption.

### What to expect

- Some delays to road, rail, air and ferry transport expected
- Some bus and train services affected, with some journeys taking longer
- Delays for high-sided vehicles on exposed routes and bridges
- Some short term loss of power and other services
- Coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves
- There may also be some fallen trees and damage to temporary outdoor structures is possible

### Further details

Windy conditions, including coastal gales for some, will develop across southern and southeastern England early on Friday, spreading into North Sea coastal areas during the late morning and afternoon. Gusts of 40 to 50 mph are expected quite widely with gusts of 55 mph or so likely in some of the most exposed coastal areas. Winds will then slowly ease from the west later on Friday.
